

# SUMMER CAMP 2016

July 24 - 30, 2016 | Jacobs University Campus, Bremen

JACOBS  
UNIVERSITY

## INSPIRATION, CREATION, INNOVATION

At Jacobs University Bremen, we bring together the smartest minds from around the globe to study on our residential campus. With 1200 students from almost 100 countries we are proud of our diversity, and transdisciplinary approach to teaching. Our yearly summer camps offer **pre-college students** the opportunity to be a part of our unique environment for one week. Students will live and eat in our colleges, take part in workshops in the mornings, and participate in excursions and team building exercises during the afternoons.

This year we are excited to offer our international summer camp in **collaboration with the VDI (Verein Deutscher Ingenieure)** Germany's largest association of engineers. The VDI is also experienced in running successful summer camps for members of their "Zukunftspiloten", or "Future Pioneers". Together we will offer a number of workshops. The aim of the workshops will be to enable students to develop possible solutions to current real world problems.

## WORKSHOP PREVIEW

**8 workshops** will be offered across our focus areas of Mobility, Health and Diversity, and will cover the fields of Earth and Environmental Sciences, Physics, Electrical Engineering, Mathematics and Social Sciences.

The titles of the workshops are as follows:

- Resources and their Sustainable Management
- Renewable Energy
- Nanotechnology
- DVD, Smartphone and Quantum Mechanics
- Sensor Networks
- The Mathematics of Games
- Globalization and Wellbeing
- Digital Cultural Encounters

## FEES & SERVICES

The cost of the camp is **€400**. The fee **includes room and board, excursions** within the context of the camp and participation in the **workshops**.

Please note that travel costs to and from the camp and additional spending money are the responsibility of the participants.

## APPLICATION PROCESS

### 1) Fill out the application form and upload your documents online

- Most recent school transcript
- A short letter of motivation (can also be typed into the application form)

### 2) Recommendation – not necessary

As a part of the application form you will be asked to provide a recommendation. Please give the following recommender details in the recommendation section in order to be able to submit the application: **Kirsty Johnson**, [k.johnson@jacobs-university.de](mailto:k.johnson@jacobs-university.de)

### 3) Admission

Places in the workshops will be allocated on a first come, first serve basis. Applications will be evaluated and an admission decision will be communicated **4 - 6 weeks after submission** of the application.

**Applications are now open, and will close on 29th February, 2016.**

Places in the camp are limited and therefore we would advise you to apply as early as possible.

Feel free to contact us if you have any questions. We are happy to help.

You will find the application form here:

[www.jacobs-university.de/summer-camps](http://www.jacobs-university.de/summer-camps)

We look forward to your application!
